|   | (a) Experts from outside the college whenever special courses of studies are to be formulated.                            |   | <b>Co-opt Member /s-1 &amp; 2</b>                          |  |  |  |
|   | (b) Other members of staff of the same faculty.   |   |  |  |  |  |

**BOARD OF STUDIES – Chemistry**

**AGENDA:**

1. Welcome and introductory remarks by Chairman
2. ATR of the recommendations / resolutions made in previous BoS meeting.
3. Online TL & E methodologies/ strategies adopted for A.Y. 2019-20 & 2020-21 as per UGC, Government and University preventive guidelines for Covid-19 pandemic.
4. Adoption and implementation of UGC – Learning Outcomes based Curriculum Framework (LOCF) for Undergraduate Education from A.Y. 2021-22 in harmony with National Education Policy-2020.
5. Updation of List of Question Paper Setters and Examiners-Theory & Practical for UG and PG Programs.
6. Any other

## **Minutes of Meeting:**

The BoS in Chemistry met as indicated above, and discussed on the aforementioned Agenda. The meeting commenced with the welcome of all the BoS members by Chairman Dr. K. D. Ladva and briefed them regarding different activities which have been carried out by the college during Covid-19 pandemic lockdown. The chairman also shared the updates about the autonomy status of the college. The chairman took up the agenda one by one for this meeting and requested to experts for their co-operation and sharing their expertise.

Sharing the expertise of all the members and with very proactive inputs, the members **unanimously** resolved; the following as appended to be recommended to Academic Council for approval for students admitted from **AY 2020-2021 & onwards**

1. All members of the board unanimously recommended and appreciated the report shared by chairman of the Board - Dr. K. D. Ladva on action taken for the recommendation of the previous BoS meeting dated, 09<sup>th</sup> May, 2019.
2. Online Teaching, Learning & Evaluation methodologies/ strategies are **recommended** for the A.Y. 2019-20 & 2020-21 as per prevailing UGC, Central & State Government Guidelines for Covid -19 pandemic affected semesters.
3. Chairman – Dr. K. D. Ladva explained the objectives and outline of UGC recommended– Learning Outcomes based Curriculum Framework (LOCF) framework for UG Program in light of New Education Policy-2020.

All members of the board unanimously appreciated and recommended the adoption of this framework for UG Program from the A.Y. 2021-22 onwards.

4. **Recommended** the updated list of Paper Setters and Examiners for Theory & Practical courses of UG and PG programmes in Chemistry for implementation from A.Y. 2020-21 onwards.
5. Recommended to implement the updated Minimum Passing standard of examination for UG and PG students as per affiliating Saurashtra University guideline.

After extensive discussion of all teaching faculties with experts on above agendas; Dr. K. D. Ladva formally ended the meeting with sharing vote of thanks to all the panel members.

### Suggestions made by the experts of BOS

| Sr. No. | Suggestion   | Remark of Chairperson |
|---------|--|-----------------------|
| 1       | Dr. K. D. Ladva highlighted the importance of development of LOCF based syllabus proposed by UGC Chairperson Dr. D. P. Singh, in light of New Education Policy; and also suggested to review LOCF based sample syllabus made available on UGC's website. |                       |
| 2       | Dr. Pankaj Nariya and Dr. M. S. Vadodaria welcomed the input from Dr. K. D. Ladva, and decided to come-up with a team of faculty members for framing of LOCF based syllabus for especially UG programmes in Chemistry.                                   |                       |
| 3       | Prof. Atul Bapodra and Dr. Naval Kapuriya appreciated the OBE aligned syllabus of PG programmes in Chemistry, and overall efforts of all faculty members for academic activities done during challenging time of COVID-19 pandemic.                      |                       |
| 4       | Dr. Atul Bapodra also inquired about the methodology for carrying out project work (IDP) during third-year B.Sc. (Chemistry), and was very satisfied with the adopted approach.  |                       |

**Signature of Chairperson**
