As an extended activity of the SIP, two (02) other induction sessions were conducted for the new entrant students of all the streams. These were:

**1. Career Acceleration Programme (CAP): 05/10/2021**

This programme involves the activities for the overall personality development, works on mastering communication skills, leadership quality, team work and tips to successfully face interviews. Mr. Niraj Vangani, Mr. Hiren Makwana and Mr. Pallav conducted the induction session. The resource persons were introduced to the students by Respected Principal Dr. K. D. Ladva and Head, Biochemistry Dr. S.J. Shah.

**2. Concept to Practice (C2P): 30/10/2021**

This is a four semester long activity for semester-I student where they have to put their subject knowledge in practice to solve some societal or environmental problem. The orientation for the same was given in a combined session, titled - 'Introduction to C2P', for students of all the four subjects, namely: Biochemistry, Chemistry, Mathematics and Microbiology, which was conducted by Ms. Arti Patel. At the end of session, Respected Principal Dr. K.D. Ladva addressed students and motivated them for the Concept to Practice (C2P) program.
