World Malaria Day - Awareness Campaign

World Malaria Day is an international observance commemorated every year on April 25th to recognize progress made in the fight against malaria. To bring awareness to prevent malaria an Awareness Campaign was organised on 25th April 2017 in Virani Science College. The theme for the World Malaria Day, “**End Malaria for Good**” One expert from Rajkot Municipal Corporation had come to make us aware and had also brought mosquito larva to identify them from other larva. He gave a detailed description with videos and power point presentation about different precautions to prevent malaria. Total 48 NSS volunteers of our college were benefited by this and they further one social activity was conducted in that week to make aware about malaria in the society in different areas of Rajkot.
