Soft Skills

Skills and knowledge are driving forces of economic growth and social development for any country. In parallel to maintaining an academic awareness of the field, adapting skills and attitudes is now inevitable to success, and will prove all the more critical in the years to come.

India is poised to stand out as one of the skilled nations in coming years and it's time for Higher Education & Skill Training to exist in same of curriculum. To enable this, it is very important for the Industry and Academia to work together to generate focussed hands- on candidates with right blend of learning and employability traits.

Life skills allow students to apply the knowledge they acquire to real world problems and situations. The ability to think abstractly and approach problems from multiple angles to find practical solutions, and the skill to communicate clearly and effectively are just as important as technical knowledge in a particular field or academic subject. Having life skills is an essential part of being able to meet the challenges of everyday life.

Life skills provide important tools for development, such as independent thinking, how to socialize and make new friends, and how to take action in situations. Building life skills is essentially an exercise in helping develop sound judgment and good habits for long-term stability, wellness, and success.

It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes. These courses are conducted to help students stand apart from the rest in the job market by adding further value to their resume.

Soft Skill courses are a fine way to fill the gaps in the knowledge and add competitive edge to the job prospects. As systems, programs and practices change, making it critical for job-seekers to have a range of competencies, these courses can help to be a winner.

❖ **Ability Enhancement Courses (AEC)** are very important part of the structure. The Ability Enhancement (AE) Courses are of two kinds (**Ref:** UGC Curriculum Framework):

- 1) Ability Enhancement Compulsory Courses (AECC) and
- 2) Skill Enhancement Courses (SEC)

SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

❖ Soft Skill:

Soft skills are increasingly becoming the hard skills of today's workforce. It's just not enough to be highly trained in technical skills, without developing the softer, interpersonal and relationship-building skills that help people to communicate and collaborate effectively. Teamwork, leadership, and communication are underpinned by soft skills development. Since each is an essential element for organizational and personal success, developing these skills is very important.

❖ Objective of Soft Skill:

The purpose of the Soft Skill is to give the students firsthand experience of the content. Providing the finishing touches to the knowledge gained in the degree program. Teamwork, leadership, and communication are underpinned by these skills development. Since each is an essential element for organizational and personal success, developing these skills will benefit the students a lot.

❖ Eligibility

Courses are open for all UG Programs. The eligibility for Soft Skill is as following.

Soft Skill: > 60% marks in English in Semester 1, 2 & 3

❖ Selection and Registration

An orientation program has been arranged for all Semester IV students. The presentation of coordinator helped the students to get highlights and insight of the course what they will learn. The list of all the students enrolled in CS or SS is sent to all HoDs to display on the departmental notice board.

Soft Skill courses are offered under **Skill Enhancement Courses (SEC) – II** in **Part III** in Curriculum of all **UG Programmes** in semesters **IV** to **V**.

❖ Unique Features of Soft Skill

- Activity Based Content
- Student centric course
- Builds the confidence
- Removes stage fear
- Increases the involvement of the students
- Enhances Leadership quality
- Supports the creativity
- Motivates the young minds to be active in the class
- Identifies the hidden abilities of the receivers

❖ **Teaching Learning methods:**

- Role Playing
- Story Telling
- Team building games
- Various Activities outside the classroom
- Quiz
- Puzzles
- Drama Enactment
- Presentations

❖ **Achievement of Soft Skill**

The course enabled the students to organize the entire event which set an example of the success of the course. The entire event was managed by students which made them more confident in themselves. This became possible because of the constant motivation and support rendered to them in the sessions. The talent, leadership, enthusiasm, zeal reached to its peak and the students demonstrated the completion successfully.

Finishing School – 2020-21

Shri Manibhai Virani & Smt. Navalben Virani Science College

Yogidham Gurukul, Kalawad Road, Rajkot

Dear Students,

The wait is over! We are launching the Finishing School Online Training from 17/11/2020, Tuesday through Microsoft Team platform. Our beloved & respected Principal Dr. K. D. Ladva will grace the inauguration program along with Head of the Departments of respective branches...

Note: Please check your name in the enclosed list, note down your batch number. And join the Finishing School Training as per your Batch Timings Only.

General Instructions:

- Knowledge Consortium of Gujarat, Government of Gujarat has started Finishing School Programme in more than 100 grant-in-aid colleges to enhance employability skills of students.
- The 80 hour training comprises of 4 modules namely: (i) Life Skills, (ii) Employability Skills, (iii) English Functional Skills-I, and (iv) English Functional Skills-II.
- In current situation of Covid-19 pandemic, KCG, GoG has started this Finishing School Training by Online mode through Microsoft Teams. Please note that **minimum 85% attendance is compulsory** as per government guidelines for Finishing School Training.
- **Registration Fees for this training is Rs. 50/-, which will be collected at college campus after post-covid re-opening of the institute. E-certificate will be issued after successful completion of the training and passing the 'end of training' assessment.**
- In case of any query, you may contact Dr. Pratik Ambasana - Finishing School Coordinator of Shree M. & N. Virani Science College on paambasana@vsc.edu.in or 9924234008.
- **Detailed schedule with day-wise topics will be shared on the first day of training.**
