

**Department of Chemistry**  
**For Notes for Agenda number 1 of AC**

**1. Regulations, Scheme of Instruction and Examination; and Syllabi framed by various BoS**

The various BoS framed the aforementioned aspects, besides certain of those pertaining to their respective Programmes. The Resolutions of the various BoS are presented hereunder for approval.

**1.1 Resolutions of BoS in Chemistry**

The BoS in Chemistry met on 05.06.2019 to deliberate on the above aspects, and I, **Dr. P. B. Nariya / Dr. M. S. Vadodaria**, have the honour to move the following :

- 1.1.1 The revision in the regulations for B.Sc. Chemistry program **be approved.**
- 1.1.2 The revision in the regulations for M.Sc. Chemistry (Organic/Analytical/Pharma Organic) program (OBE) **be approved.**
- 1.1.3 The revision in the conceptual framework of M.Sc. Chemistry programs **be approved.**
- 1.1.4 The revision in the course structure - Scheme of Instruction & Examinations framed for B.Sc. Chemistry program - semester I to VI **be approved.**
- 1.1.5 The revision in the course structure - Scheme of Instruction & Examinations framed for M.Sc. Chemistry (Organic/Analytical) program (OBE) - semester I to IV **be approved.**
- 1.1.6 The revision in the course structure - Scheme of Instruction & Examinations framed for M.Sc. Chemistry (Pharma Organic Chemistry) program (OBE) - semester I to IV **be approved.**
- 1.1.7 The revisions in the syllabi framed for all courses of B.Sc. Chemistry program - semester I to VI **be approved.**
- 1.1.8 The revisions in the syllabi framed for the DSE - Allied courses offered to B.Sc. Biotechnology and B.Sc. Industrial Chemistry department **be approved.**
- 1.1.9 The revisions in the syllabi framed for all courses of M.Sc. Chemistry (Organic/Analytical) program (OBE) - semester I to IV **be approved.**
- 1.1.10 The revisions in the syllabi framed for all courses of M.Sc. Chemistry (Pharma Organic Chemistry) program (OBE) - Semester I and II **be approved.**
- 1.1.11 The revisions in the Syllabi, Evaluation Norms & Guidelines framed for the following courses unique to Department **be approved.**
  - a) Scientific Writing,
  - b) STC (Short Term Course)
- 1.1.12 The syllabi framed for the DSE - ID course: **Medicinal Chemistry** offered to M.Sc. Industrial Chemistry program **be approved.**

1.1.13 The revisions in the Syllabi and Evaluation norms framed for Value Added Courses (VAC) **be approved.**

1.1.13.1 Surface Coating Techniques

1.1.13.2 Formulation of Detergents & Toiletries

1.1.13.3 Soil & Water Analysis

1.1.14 The revisions in the Syllabi and Evaluation Norms framed for Generic Elective courses for students admitted in UG programs from 2017-18 & onwards **be approved.**

1.1.14.1 GE-I: Chemistry in Everyday life (Semester V )

1.1.14.2 GE-II: Chemical Hazards & Safety (Semester VI)

1.1.15 The Syllabi and Evaluation Norms framed for Generic Elective courses for students admitted in PG programs (OBE) from 2019-20 & onwards **be approved.**

1.1.15.1 GE-I: Molecular Spectroscopy (M.Sc. Semester III)

1.1.16 Question Paper Pattern Framed for B.Sc. Chemistry and M.Sc. Chemistry (OBE) programs **be approved.**

1.1.17 The revisions in the List of Paper Setters and Examiners for courses of B.Sc. Chemistry and M.Sc. Chemistry (OBE) programs **be approved.**

**Details of all above in Appendix I.**
