2. ATR of the recommendations / resolutions made in previous BoS meeting.

Following recommendations / resolutions were made in the previous BoS meeting held on 5th June 2019.

- Revision of Regulation, Scheme of instructions & examinations and Syllabi of all courses of Part I, II, & III for B.Sc. Chemistry program, Semester I to VI
- Revision of Regulation, Scheme of instructions & examinations and Syllabi of all courses of Part I, & II M.Sc. Chemistry program, Semester I to IV (Core, DSE-Core, DSE-ID and other Courses Unique to the Department) under **Outcome based Education System**.
- Finalized the Evaluation pattern including Question Paper Pattern for UG and PG (OBE) programs.

In last BoS, Members were suggested following suggestion:

Dr. A. H. Bapodra and Dr. Naval Kapuriya appreciated the adoption and Implementation of OBE at PG level.

On the recommendation of Dr. Naval Kapuriya and Dr. Ajay Pandya the department decided to offer Dissertation to 20 % selected M.Sc. candidates and as per suggestion of Dr. Atul Bapodra department have introduced Molecular Spectroscopy course as GE for all PG programs.

The above recommendations / resolutions made in the previous BoS meeting was approved in the academic council meeting held on 12th June 2019 and implemented by the department.

3. Online TL & E methodologies/ strategies adopted for A.Y. 2019-20 & 2020-21 as per UGC, Government and University preventive guidelines for Covid-19 pandemic.

A.Y. 2019-20

As per the academic calendar A.Y. 2019-20 of the college, the teaching & learning process of all UG, PG & Integrated programs have ended on/before 9th March 2020; the 2nd internal evaluation (i.e. 2nd CIE) was scheduled from 23rd March 2020 and subsequently Semester End Examination (theory) – 2019-20 for all UG, PG & Integrated programs were scheduled from 1st April 2020 & onwards. The SEE (practical) have commenced from 11th March 2020.

Due to Covid-19 pandemic; first National lockdown was observed on 22nd March 2020 followed by Phase-I to till date and as per the approval of the Governing Body of the college (GB in C dated 21/07/2020) based on various circulars / C-19 preventive guidelines of UGC, Education Department and affiliating University; the internal & semester end evaluations – T & P were conducted giving proctored online / offline options to the students in two phases. The internal test was conducted during April / May 2020 and semester end examinations during July / August 2020 for even semesters of following programs.

- B.Sc. Chemistry
- B. Voc CT and B. Voc PAQA
- 5-years Int. B.Sc.- M.Sc. Chemistry
- M.Sc. Chemistry (Organic/Analytical)

The online remedial coaching classes were conducted from 2nd week of June 2020 and before Semester End Examination for the above programs.

A.Y. 2020-21

The college has initiated online / offline admission processes on 15th May 2020 as per admission / admission processing committee's resolution the merit list schedule was published on college website on 6th June 2020. The admission counseling was made online as well as at college following the guidelines issued by the Government.

The Department of Education, Government of Gujarat has implemented UDAYAM-Unlimited Digital Advanced Yearlong Academic Method of Learning project for providing Administrative and Academic resources to the HEIs during the C-19 pandemic (Education Department, GoG, Circular No. PaRaCh/2020/OnlineEdu/Kh dated 22/06/2020).

The Department of Education, Government of Gujarat has facilitated all the GIA Colleges with Single sign-on system-COGENT and Microsoft Teams platform for online Teaching Learning & Evaluation-TLE. The KCG and MS Teams trainers have conducted online two trainings for

Principal, ETRP and all staff members. The Government has also established a cluster lead college for the rectification of relevant issues and queries.

The Sarvodaya Kelavani Samaj, managing trust of the college have also facilitated with all digital and physical resources required for the conduction of SIP & TLE during Covid-19 pandemic. The college has conducted two days FDP on E-content development: Video Recording & Editing on 9th & 10th June 2020.

The online teaching-learning classes started with Student Induction Program (SIP) for Semester-3 & 5 of UG programs and Semester-3 for PG program in phased manner from 9th July 2020 & onwards for A.Y. 2020-21.

The online Student Induction Program (SIP) followed by teaching, learning & evaluation has started from 25th August 2020 for UG semester-1 students admitted in 2020-21 as per academic calendar. During five days SIP, thrust was given on Life Skills (VECD), Basic Computer Skill, E-learning Resources and Communication Skills.

As per the academic calendar of the college the first CIA: Component Test-1 for the UG / PG students of semester-3 and 5 of following programs are from 21st to 25th Sept. 2020.

● B.Sc. Chemistry (Semester-3 & 5)

● M.Sc. Chemistry (Semester-3)

4. Adoption and implementation of UGC – Learning Outcomes based Curriculum Framework (LOCF) for Undergraduate Education from A.Y. 2021-22 in harmony with National Education Policy-2020.

The Learning Outcomes-based Curriculum Framework (LOCF) works towards a more holistic experience for the students, while focusing not just on knowledge delivery in higher education but also on the application of knowledge through field and lab work and emphasizes on application of knowledge to real life experiences. Besides this, students will attain various 21st century skills like critical thinking, problem solving, analytic reasoning, cognitive skills, self-directed learning etc.

The LOCF is a framework based on the expected learning outcomes and academic standards that are expected to be attained by graduates of a program of study and holder of a qualification.

The college has already implemented Outcome based Education System for M.Sc. programs from 2019-20 & onwards. The college will come up with the key outcomes that underpin curriculum planning and development at the UG level include Graduate Attributes, Qualification Descriptors, Program Learning Outcomes, and Course Learning Outcomes and Teaching - learning process & Assessment methods for the students admitted in various UG programs from AY 2021-22.

5. Updation of List of Question Paper Setters and Examiners-Theory & Practical for UG and PG Programs.
