

Sarvodaya Kelavani Samaj Managed  
**SHRI MANIBHAI VIRANI & SMT. NAVALBEN  
VIRANI SCIENCE COLLEGE**  
(An Autonomous College affiliated to Saurashtra University, Rajkot)

**A Place to Learn,  
A Chance to Grow with Divinity**

**O Lord !**  
Whether anyone else  
becomes '**ATMIYA**' or not,  
**Please make me 'ATMIYA'**

## **H.D.H. Shree Hariprasad Swamiji Maharaj - Inspirer**

**President** - Yogi Divine Society, Haridham, Sokhada

### **Escritoire**

Education with fragrance of humanity, divinity and amity can plant truthfulness, righteousness, selflessness, forgiveness and faith in oneself; to reap trust, greatness, harmony and reconciliation. Thus, one can be free from feelings like hatred, ego, envy & obstinacy to get real success in life. That is called true '**ATMIYATA**' (spiritual harmony), which is just the other way to foster the principle of **SAMP, SUHRADBHAV** and **EKTA**.

By the grace of **Lord Swaminarayan**, we have developed such pattern of education at **Atmiya University-Rajkot**, where state of the art learning resources with divine touch of '**Atmiyata**' nurture every individual in unique way to realize one's dream to become an 'ideal **human being** !

**Guruhari Yogiji Maharaj**, as the fourth heir in the tradition of Gunatit Saints, was the epitome of saintliness. He created a Commune of educated "Sadhus" and put forth a mission – "**My heart is all for the Youth**". His compassionate love was expressed through his special interest in channelizing the Youth towards a life of righteous conduct and spirituality.

YOGIDHAM is a unique Educational **Gurukul** blessed with the divinity of **Lord Swaminarayan** and the spiritual principles of **Guruhari Yogiji Maharaj**. The environment of this educational center provides spiritual nourishment that reinforces the rich cultural and spiritual traditions of Indian culture. Here, the focus is to inculcate the fundamental values of morality and ethics along with the basic aim of imparting quality education; thereby we seek to build characters that will be recognized for their positive attitude, discipline, determination and integrity of character. These individuals will be the pride of their families, society and nation.

With sincere prayers and blessings for you all to be able to experience and enjoy real peace, bliss and happiness.

## **P.P. Tyagvallabh Swamiji**

**Secretary** - Sarvodaya Kelavani Samaj, Rajkot

### **Message**

**"GURU"** is a teacher who steers **"SHISHYA's"** life; He is a spiritual mentor who leads the Shishya (learner) from darkness and ignorance to wisdom, bliss and enlightenment. Guru-Shishya parampara has been an inevitable component of education since ages. It has amalgamated the convention of a living and learning correlation, involving Guru and Shishya, and has been signifying the emotional, intellectual and spiritual bond between them. We strongly believe in **GURU SHISHYA PARAMPARA** since it has nurtured a dream of molding the future citizens of our motherland by equipping them with the latest and the best knowledge in the ambience of a GURUKUL. This is the sole endeavor of setting up **YOGIDHAM GURUKUL** which is analogous to **"ASHRAM"**. Here immense care is taken to ensure the emotional, intellectual and spiritual development of students in tune with revered GURU and SAINT.

'Journey of thousand miles begins with a firm step'. This proverb should be expanded by adding three words, **'in right direction'!** Under the auspices of **H.D.H. Hariprasad Swamiji Maharaj** - Imbibing the essence of Atmiyata – a feeling of relationship and responsibility for humanity and nature at large is the essence in the motto – **"सुहृदं सर्वभूतानाम्"** of the newly formed **Atmiya University**. As it is this very understanding of relatedness with everyone and everything that surrounds you, makes you a **"Responsible"** human being and **"Ethical"** in your way of living.

Education is a medium and channel through which we can inculcate through creating the ecosystem in the form of **"Sanskar"** and facilitating the understanding about the **clarity of purpose of life**, the aspirations of human being, values for sustained relationships with mutual happiness as a goal, skills to produce basic needs for humans leading to prosperity and mutual enrichment with nature – eventually living in harmony and working with ethics with both humans and nature at large. That makes it 'Universal' in true sense!

**It will definitely be instrumental in blossoming enlighten souls and visionary leaders for creation of harmonious humane society!**

“Open scripture represents **Ocean of Knowledge & Universal Brotherhood**  
Lotus represents **Patriotism, Purity & Atmiyata-Spiritual Harmony**  
that gives Sunrise of **True Knowledge & Wisdom**  
which enlightens **Individual & Nation.**”

# VISION

To be a premier Institution of Science, Technology and Human values, aiming at the holistic sustainable development of youth, society and mother earth, leading to excellence.

# MISSION

- To create, acquire and disseminate knowledge, fostering skills and global competence among the students, through the intellectual facilitators, teachers and mentors, the “Gurus”.
- To provide holistic science education through well structured relevant programmes, learner centric approaches, pedagogic innovations, along with the adoption of modern technologies and strategies.
- To provide dedicated qualified and competent faculty, state-of-art infrastructure and other support facilities to facilitate better learning and research activities.
- To motivate teachers and students to develop research culture and undertake scientific investigation to realize their scientific creativity, contributing to sustainable development as a means of better life and living.
- To inculcate lived values, culture, morality and spirituality in the heart of youths to foster universal brotherhood, patriotism, righteous living and selfless service through the practice of “ATMIYATA” and “Gurukul”.
- To protect and promote Indian culture, heritage, and respect Indian Constitution and global charter of human rights and environmental protection.
- To make youth self reliant and productive through proper employment or entrepreneurship, ultimately in the service of society and humanity.
- To establish linkages and collaborations for the betterment of the educational process and objectives.
- To promote strategies and activities towards the overall personality development of youth, through defined student support and welfare systems.
- To facilitate cultural, sports and community development activities involving all stakeholders, as a means of institutional social responsibility.
- To aim at innovations and adopt best practices to move towards excellence.

# CORE VALUES

- Contributing to National Development.
- Fostering global competencies among students.
- Inculcating Values among students by leading with examples.
- Promoting use of ICT and upcoming technologies in the field of study.
- Quest for Excellence.

## The College at a Glance

This co-educational Science Institution was established on 15th June, 1968 at Rajkot and, is permanently affiliated to Saurashtra University. The college was included under 2(f) and 12 (B) of the UGC in 1967 and 1989 respectively. It is managed by a Charitable Trust, Sarvodaya Kelavani Samaj, inspired by Yogi Divine Society, under the able and divine guidance of H.D.H. Shree Hariprasad Swamiji. P.P. Tyagvallabh Swami provides the leadership and governance on the Yogidham Gurukul campus. The Institution is a grant-in-aid college and also offers programmes under self-financed scheme.

As one of the oldest colleges in the region, Shree Manibhai Virani and Smt. Navalben Virani Science College has attained eminence above every seat of learning, and won the praises of the academicians, patrons, philanthropists, bureaucrats, elected representatives of the State and men of wisdom from different beliefs by virtue of its antiquity, curriculum, doctrine and privileges.

Till 1960, the available academic facilities in the Saurashtra region were sparse which persuaded Sarvodaya Kelavani Samaj, Rajkot, with righteous endeavors to inaugurate Shree Manibhai Virani and Smt Navalben Virani Science College in June 1968, by offering Chemistry as a principal subject at UG level under the aegis and endowment of the Virani Family. To start with, since 1968, the college is affiliated to Saurashtra University.

The 20th Century was known as an era of academic conviction, scientific and technological revolution. Yet, the chronicle of growth and development was wanting towards Human Excellence. Hence, almost after a decade of its establishment, Yogi Divine Society of Haridham in Sokhda Village of Baroda District, which has been rendering its benevolent services to the youth, took over Sarvodaya Kelavani Samaj Trust and started managing Shree Manibhai Virani and Smt. Navalben Virani Science College since 1988. Its sanctified ideals of Samp-Suhradbhav-Ekta-Atmiyata (Harmony-Brotherhood-Unity-Spirituality) were re-emphasized in its mission of "Nurturing the Roots! Nurturing the Youth!". H.D.H. Shree Hariprasad Swamiji as the President of Yogi Divine Society, Baroda, has been providing the dynamic leadership, direction and divine blessings.

Sarvodaya Kelavani Samaj, under the new management, aspired to revitalize its intact academic set up and brought in paradigm changes with coordinated efforts of all its personnel under the versatile leadership of the Trustee and Hon. Secretary P.P. Tyagvallabh Swami. Additional programs were added in course of time to the science stream to grow and develop further under grant-in-aid and self financed mode.

These 28 years since 1988 have been a period of academic escalation in Shree Manibhai Virani and Smt. Navalben Virani Science College. The college has made thoughtful investment in creating and strengthening infrastructural facilities to facilitate teaching, learning and research, besides promoting a divine academic ambience.

# ADMISSIONS OPEN

## B.Sc. Chemistry

---

Dive into the fundamental science that forms the basis of everything around us. Learn the secrets of atoms, molecules, and chemical reactions. From organic compounds to physical properties, you will gain a comprehensive understanding of the fascinating world of matter. With hands-on experiments and cutting-edge research, you will be equipped to solve real-world challenges in industries like pharmaceuticals, materials science, and environmental conservation.

## B.Sc. Biochemistry

---

Unveil the intricate mechanisms that drive life itself. Explore the intersection of biology and chemistry to unravel the mysteries of cells, proteins, and genetic material. Through advanced laboratory techniques and innovative research, you will delve into areas like molecular genetics, metabolism, and drug development. Prepare to revolutionize healthcare, biotechnology, and genetic engineering.

## B.Sc. Microbiology

---

Discover the hidden world of microorganisms that shape our environment and impact our lives. Investigate bacteria, viruses, and fungi through laboratory investigations and fieldwork. Gain expertise in areas such as immunology, microbial genetics, and biotechnology. With your knowledge, you can combat infectious diseases, work in food and pharmaceutical industries, or contribute to environmental sustainability.

## B.Sc. Mathematics

---

Enter the captivating realm of numbers, patterns, and logic. Develop analytical thinking and problem-solving skills that are highly sought after in a range of industries. From algebra and calculus to probability and statistics, you will master the language of the universe. Equip yourself to excel in fields such as data science, finance, cryptography, and artificial intelligence.

# WHY CHOOSE US:

## Comprehensive Curriculum:

Our programs offer a well-rounded education, blending theoretical knowledge with practical applications, ensuring you are prepared for the challenges of the professional world.

## State-of-the-Art Facilities:

Access cutting-edge laboratories, research facilities, and equipment, providing you with hands-on experiences that foster innovation and discovery.

## Expert Faculty:

Learn from passionate and experienced professors who are at the forefront of scientific advancements. Benefit from their guidance and mentorship throughout your academic journey.

## Research Opportunities:

Engage in groundbreaking research projects, contributing to scientific advancements and expanding your understanding of your chosen field.

## Career Prospects:

Graduates from our programs have a wide range of career opportunities, including research and development, academia, healthcare, industry, and more.

O Lord !  
Whether anyone else  
becomes 'ATMIYA' or not,  
**Please make me 'ATMIYA'**

**H.D.H. Shree Hariprasad Swamiji Maharaj**  
Founder - Yogi Divine Society, Haridham, Sokhda  
Inspirer - Sarvoday Kelavani Samaj, Rajkot

**Ph.D. - Chemistry | Microbiology | Biochemistry | Zoology | English**

## Preamble to the Constitution of India

**“WE, THE PEOPLE OF INDIA,**

having solemnly resolved to constitute India into a  
**SOVEREIGN, SOCIALIST, SECULAR, DEMOCRATIC**  
**REPUBLIC**

and to secure to all its citizens:

**JUSTICE,** social, economic and political;

**LIBERTY,** of thought, expression, belief, faith and  
 worship;

**EQUALITY,** of status and of opportunity;

and to promote among them all **FRATERNITY,**  
 assuring the dignity of the individual and  
 the **unity and integrity of the Nation;**

- 26<sup>th</sup> day of November, 1949
