“Partial ban on the use of plastic products within campus premises”

In our ongoing commitment to sustainability and environmental stewardship, we hereby to announce our ongoing & primary significant responsibility towards environmental footprint on & off campus. We will be observing a need based ban on the use of plastic products within our campus premises, aiming to reduce the usage of plastic inside the campus. This decision aligns with our core values and efforts to create a greener and more eco-friendly environment for everyone. By taking this step, we aim to reduce further our plastic waste and contribute to a cleaner, more sustainable future.

Let us work together to create a cleaner, healthier and more sustainable campus for all.

"Use of Emission-Free Vehicles"

DATE : 12/01/2019

This is to announce to encourage all members of our campus stakeholders to consider using emission-free vehicles. By choosing electric or hybrid vehicles for your commute, you contribute to a cleaner and healthier campus environment. The management will appreciate the stakeholders to keep valid PUC certificate of their vehicles.

Let's make a collective effort to reduce our carbon footprint and create a greener campus.

“Use Designated Pedestrian Pathways”

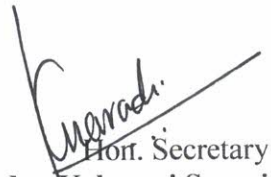

DATE : 24/10/2017

In our pursuit of a safer and pedestrian-friendly campus, we kindly request everyone to use designated pedestrian pathways for walking within the college premise especially during the start & end college timings of the day. This small change helps ensure the safety and well-being of all members of our community. Let's work together for a more secure and pleasant campus experience.
