Submitted to

NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

(An Autonomous Institution of the University Grants Commission) P.O. Box No. 1075, Nagarbhavi, Bangalore – 560 072, Karnataka

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

Part - A

1. Details of the Institution

1.1 Name of the Institution	Shree Manibhai Virani and Smt. Navalben Virani Science College
1.2 Address Line 1	"Yogidham Gurukul",
Address Line 2	Kalawad Road,
City/Town	Rajkot
State	Gujarat
Pin Code	360005
Institution e-mail address	principal@vsc.edu.in
Contact Nos.	09824803333
Name of the Head of the Institutio	on: Dr. A. U. Patel
Tel. No. with STD Code:	0281-2562681
Mobile:	09825403388

Name of the IQAC Co-ordinator:

Dr. K. D. Ladva

Mobile:

09824803333

IQAC e-mail address:

kdladva@vsc.edu.in

1.3 NAAC Track ID (For ex. MHCOGN 18879)

GJCOGN 13267

1.4 NAAC Executive Committee No. & Date:

EC/66/RAR/046 dated 21-2-2014

(For Example EC/32/A&A/143 dated 3-5-2004.

This EC no. is available in the right corner-bottom of your institution's Accreditation Certificate)

1.5 Website address:

www.vsc.edu.in

Web-link of the AQAR:

http://vsc.edu.in/wp-content/uploads/bsk-pdf-manager/aqar-2013-14 10.pdf

1.6 Accreditation Details

Sl. No.	No. Cycle C		CGPA	Year of	Validity
SI. NO.	Cycle	Grade	Grade CGPA	Accreditation	Period
1	1 st Cycle	'A'	-	2007	2012
2	2 nd Cycle	'A'	3.28	2014	2019
3	3 rd Cycle	Not Applicable			
4	4 th Cycle	Not Applicable			

1.7 Date of Establishment of IQAC :DD/MM/YYYY

06/08/2007

1.8 AQAR for the year (for example 2010-11)

2013-14

Accreditation by NAAC	((for example	e AQAR 2010-11submitted to NAAC on 12-10-2011)

2.4 No. of Management representatives	2		
2.5 No. of Alumni	1		
2. 6 No. of any other stakeholder and community representatives	1		
2.7 No. of Employers/ Industrialists	1		
2.8 No. of other External Experts	1		
2.9 Total No. of members	19		
2.10 No. of IQAC meetings held	2		

2.11 No. of meetings with various stakeholders: Total No. 7 Faculty 2
Non-Teaching Staff Students 2 Alumni 1 Others 2
2.12 Has IQAC received any funding from UGC during the year? Yes No
If yes, mention the amount Rs. 3,00,000/-
2.13 Seminars and Conferences (only quality related)
(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC
Total Nos. 10* International National 5 State Institution Level 5
* Including scientific-R&D.
(ii) Themes
National Level Seminar/Symposium/Workshop:
 Institute Level FDP/Workshop/Training: Opportunities and challenges in academic autonomy NLIST & Science Direct Training
 NLIST & Science Direct Training Research Funding – Writing Successful Proposals Emotional Intelligence
Public speaking & Fluency in English

2.14 Significant Activities and contributions made by IQAC

- Curriculum revision of UGC-PG innovative program.
- DBT Star College learner centric activities.
- Enrichment in ICT enables T& L strategies implementation and examination reforms- internal assessment components only.
- Continuation of Bridge course and remedial coaching.
- Organisation National level events.
- Procurement of new Instrument/equipments.
- Gujarat State Biotechnology Mission Sponsored capacity building program.
- Organisation of various co & extracurricular activities within and beyond the academic calendar of affiliating Saurashtra University.
- Job placement through on & off campus interviews.
- Coaching for Competitive Examinations / Entrance Test.
 - o Coaching for UGC NET/SLET/GATE.
 - o KVPY (Central Exam) coaching classes.

- Sponsored research projects proposal submission.
- Consultancy generation- GPCB Environmental Audit and Soil Health Card program of Gujarat State Government.
- A Book on the Innovative & best Practices of the institution.
- · AISHE DCS submission.

Compliance to recommendations for quality enhancement of the college; made by the NAAC peer team members.

- 1. **FDP** conducted on "**Opportunities and challenges in Academic Autonomy**" 16th and 17th March 2013.
- 2. To enrich existing research culture; the faculty members have been motivated to apply for research project proposals to various funding agencies.
 - FDP organised on "Research Funding Writing Successful Proposals" on 18th September 2013.
 - o Faculty members have been encouraged to participate in International & National level scientific events.
- 3. Introduction of Regional relevant, job potential vocational UG courses/programs:

Proposals for the introduction of following **B.Voc. Programs** submitted to UGC.

- o B. Voc. in Applied Chemical Technology (Chemical Science)
- o B. Voc. in Medical Laboratory and Molecular Diagnostic Technology (Life Science)
- o B. Voc. In Applied Computer Technology (Information Technology)

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

Plan of Action	Achievements		
To organise National level events	National level seminar = 2		
	National level symposium =1		
	National level workshop = 2		
To organise institute level events	Institute level workshop/training = 3		
	Institute level FDP = 2		
DBT Star college activities	Student projects = 50+		
_	Industrial visits = 18		
	Invited Guest lecturers = 24		
	Exhibitions = 08		
	New practical introduced = 30+		
To comply the recommendations received form	The recommendations regarding autonomy,		
NAAC peer team member during their visit.	enrichment of research culture and job potential		
	vocational courses have been complied.		
Coaching for Competitive Examinations / Entrance	Total program conducted = 03		
Test (beyond college hours and without fees)	Coaching for NET/SLET/GATE/KVPY		
GSBM – Nodal center activity	University level capacity building program		
·	conducted for UG students.		
Compilation of institutional innovative & best	A book on institutional innovative & best		
Practices	practices prepared.		
Curriculum revision in PG innovative programs	PG semester - 3 & 4 syllabus revised and		
	approved in BoS of Saurashtra University for		
	M.Sc. Pharmaceutical Organic Chemistry.		

Plan of Action	Achievements
Consultancy generation- GPCB Environmental audit	Revenue generation through consultancy –Earn
and Soil Health Card program of Gujarat state	while Learn Scheme:
government.	Soil Health Card program = Rs. 3,00,000/-
	GPCB Environment Audit = Rs. 4,99,150/-
Introduction of new UG programs	Proposals for the introduction of following B.
	Voc. Programs submitted to UGC.
	o B.Voc. in Applied Chemical Technology
	(Chemical Science)
	o B.Voc. in Medical Laboratory and Molecular
	Diagnostic Technology (Life Science)
	o B.Voc. in Applied Computer Technology
	(Information Technology)

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended Seminars/ Workshops	6	30	3
Presented papers	1	9	4
Resource Persons	-	1	13

- 2.6 Innovative processes adopted by the institution in Teaching and Learning:
 - Going beyond Curriculum
 - Virtual Laboratory and Computer Simulation Studies
 - Concept Mapping and mind chart
 - Usage of ICT & Web 2.0 Tools
 - Students as peers peer teaching
 - Hands on experiential trainings workshops
 - Preadmission and Admission Counseling
 - Doubt solving session remedial coaching
 - Bridge courses at both UG & PG level.
 - Tutorials and learning commons.
- 2.7 Total No. of actual teaching days during this academic year

As per affiliating Saurashtra University, **238** days including Internal & Semester End Examination & Assessment

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

Examination/ Evaluation Reforms are as per affiliating Saurashtra University regulations & Weightage for continuous internal: semester end examination is 30:70.

The college have introduced following reforms in internal evaluation only:

UG / PG	Examination / evaluation reform
	Open Book test
	Concept Mapping
UG	Display board activities
UG	Question bank preparation by students
	Minor project / Report preparation
	Model making
	Peer teaching
PG	Minor project / Review Report preparation
	Skill based assignment

2.9	No. of faculty members involved in curriculum restructuring/revision/syllabu	s develo

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

IQAC has implemented realistic and attainable quality benchmarks for each of the academic activities including teaching, learning and evaluation process which is the basis of quality enhancement and sustenance of any institution:

IQAC Planning:

- Strict adherence to the academic calendar of Saurashtra University, Rajkot
- Lesson plans and teaching diary
- Teacher training and development programs
- Organization of Educational Visits, Seminars, Symposium Workshops
- Expert/Guest Talks
- Scientific Competitions/ Science Creativity
- Minor research projects and publication
- Earn while Learn Scheme through consultancy
- Bridge courses and remedial & special coaching
- Field visit, Industrial training and education tours

Monitoring & Evaluation:

- Mentor scheme
- Diagnosis of slow and fast learners
- Result analysis
- Feedback analysis
- Internal academic audit
- Need analysis of resources
- Monitoring through various committees

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	Number of faculty benefitted
Refresher courses	06
UGC – Faculty Improvement Programme	16
HRD programmes	03
Orientation programmes	04
Faculty exchange programme	
Staff training conducted by the university	09
Staff training conducted by other institutions	09
Summer / Winter schools, Workshops, etc.	110
Others a) FDP b) Environmental Auditing c) Consultancy	67 05 20
,	7.7

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	12	00		
Technical Staff	21	00	02	

Criterion - III

3. Research, Consultancy and Extension

- 3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution
 - Proactive Research Promotion Committee.
 - Information literacy programs, e-resources like science direct, N-LIST.
 - Faculty Development Programs & trainings in the use of sophisticated instruments.
 - Seminar/ Workshop on "Research methodology" and "Scientific writing"
 - Introduction of research projects at UG level and Publication.
 - Encouragement to participate in Conference, Seminars, Summer / Winter schools etc.
 - Expert talks & brain storming sessions with Scientists
 - Organization of State/National level seminars, symposium and conferences
 - Simple Resource procurement policy and Industrial consultancy.
 - Transparent IPR policy.
 - Best Researcher, Reader awards by the managing trust.

5.6 Details of student counselling and career guidance

The following counselling activities are carried out for the students:

- 1. **Preadmission counselling:** The admission committee along with departmental faculties chalks out a plan for counselling every year. The prospectus, flyers, banners, posters covering information related to program, structure of program, courses, special features, fees, scholarships & freeships, resources, future career, various schemes of the college/government etc. are prepared and placed on the campus.
- 2. Academic counselling: Academic counselling starts with the induction program for the new entrants and lasts till exit of the student. The equal weightage is dedicated to communication skill in English and domain specific core specialisation during induction program. And throughout the year through mentor scheme counselling is done. The parent meeting is also conducted.
- 3. **Personal counselling:** Need based and general counselling is catered through mentor scheme. The personality development trainings and workshops are also conducted. Students are free to attend weekly spiritual assembly where expert talks are delivered. The authorities are freely accessible for students including the president of the trust, who is a saint. The grievance redressal cell/anti ragging committee/women empowerment cell are also actively supporting the students. The Yog & Meditation, Health check up camps are also conducted.
- Career counselling: The training and placement cell & Career Guidance Cell jointly conducts various student development programs related to preparation of CV, mock interview, soft skill, aptitude etc. The academic departments including NCC, NSS & Sports department organises special coaching / crash workshop for various competitive exams and entrance test for UG & PG students. The libraries on campus have subject wise collection of books & e-resources for the same.

No. of students benefitted: All UG & PG Students of the college 900+

5.7 Details of campus placement

	On Campus		Off Campus
Number of Organizations Visited	Number of Students Participated	Number of Students Placed	Number of Students Placed
08	293	134	44

5.8 Details of gender sensitization programmes

- Empowerment of Girls (Smart Girls) programmes is organized for all the girls of the college.
- Atmiya Women's Association Knowledge Empowerment (AWAKE) organises various activities like guest talks, competitions, celebration of international women's day etc. for female faculties and girls students of the campus.
- Expert talks on various issues/challenges by lawyers, doctors, social activist etc.
- Single girl child schemes awareness programs.
- Audio-visual shows/films for creating awareness regarding women empowerment.
- Discussion/Debates on Women rights.
- Workshop on self-defence techniques.
- Theme based street plays, skit, mime etc.

5.9 Students Activities

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision:

To be a premier Institution of Science, Technology and Human values, aiming at the holistic sustainable development of youth, society and mother earth, leading to excellence

Mission:

- To create, acquire and disseminate knowledge, fostering skills and global competence among the students, through the intellectual facilitators, teachers and mentors, the "Gurus".
- To provide holistic science education through well structured relevant programmes, learner centric approaches, pedagogic innovations, along with the adoption of modern technologies and strategies.
- To provide dedicated qualified and competent faculty, state-of-art infrastructure and other support facilities to facilitate better learning and research activities.
- To motivate teachers and students to develop research culture and undertake scientific
 investigation to realize their scientific creativity, contributing to sustainable development as a
 means of better life and living.
- To inculcate lived values, culture, morality and spirituality in the heart of youths to foster universal brotherhood, patriotism, righteous living and selfless service through the practice of "ATMIYATA" and "Gurukul".
- To protect and promote Indian culture, heritage, and respect Indian Constitution and global charter of human rights and environmental protection.
- To make youth self reliant and productive through proper employment or entrepreneurship, ultimately in the service of society and humanity.
- To establish linkages and collaborations for the betterment of the educational process and objectives.
- To promote strategies and activities towards the overall personality development of youth, through defined student support and welfare systems.
- To facilitate cultural, sports and community development activities involving all stakeholders, as a means of institutional social responsibility.
- To aim at innovations and adopt best practices to move towards excellence.
- 6.2 Does the Institution has a management Information System

Yes

- Student Management (SMS)
- Atmiya Academic Monitoring System (AAMS)

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Curriculum development is carried out as per affiliating Saurashtra University rules & regulations.
- The college contributes through its 25 BoS members and 6 science faculty members of the University.
- The curriculum of PG innovative programs is designed and developed by the college in collaboration with regional industry and subject experts as per UGC guideline adopting Universities structure and system and approved by the BoS of the University. The revision of the curriculum is done by BoS Saurashtra University.
- Similarly, the curriculum of COP's-Certificate & Diploma is developed by the college as per UGC's guideline.

6.3.2 Teaching and Learning

- Every year the college conducts program wise Orientation program and Bridge courses for the new entrants at UG & PG level.
- A teaching planner/diary is prepared in the beginning of every academic semester/year.
- Departmental pedagogy and development of virtual lab, simulation, mind chart, concept mapping, and assignments-advanced/skill based etc.
- Innovative learning methods like peer teaching, model making, sci-simulation, demonstrative sessions and learning commons etc are adopted.
- Remedial coaching, Hands on experiential training workshops etc. are conducted.
- The teaching & learning process is closely monitored by feedbacks, monthly departmental staff meeting and meeting of HoD's with the Principal.

6.3.3 Examination and Evaluation

- The college follows the examination calendar of affiliating Saurashtra University.
- The examination form filling, internal marks entry and degree registration is digitalised.
- The college has introduced innovative evaluation methods for internal components like open book test, concept mapping, display board activities, question bank preparation, minor project/report preparation, model making etc.
- The college maintains 100% transparency for internal evaluation, the evaluated assignments and answer scripts with comments are shown to the students and revaluation is also done, if needed.
- The college is conducting online entrance test for PG admission followed by personal interview.
- The examination committee executes the university semester end & supplementary examinations.

6.3.4 Research and Development

- The college has proactive Research Promotion Committee to strengthen research and development environment.
- The committee recommends active participation of faculty member in various level seminar/conference, summer/winter school etc.
- UG/ PG students are given industry defined or institute defined research / dissertation projects of innovative and interdisciplinary nature. UG & PG students are publishing their research work in journals or presents in the seminar / conference.
- Research facilities has been upgraded due to the generous support received from UGC, DBT, GSBTM, Govt. of Gujarat and managing trust of the college.
- The Students & faculties are trained for the use of existing / newly procured sophisticated instruments in phased manner.
- The college organises various information literacy programs like Research methodology and scientific writing, N-LIST.
- The college motivates students and teacher by awarding Best researcher and reader awards
- The library and learning centre of the college has the following collection to cater needs of R&D:
 - o NLIST of UGC: 6000+ e-journals; 97,000+ e-books
 - o Shared e resources Science Direct, ASME /ASTM, Jgate, EBSCO, Prowess

6.3.5 Library, ICT and physical infrastructure / instrumentation

- The Library committee of the college prepares a budget for every year for procuring latest reference/ text books, National/International Serials, magazines, journals etc.
- The Central Maintenance Cell on campus has two wings: 1. Physical Infrastructure 2. ICT& Instrument both the wings are actively looks after maintenance & purchase. The managing trust has appointed dedicated skilled manpower for the same and has made several AMCs.

6.3.6 Human Resource Management

- Qualified & competent teaching and non-teaching (technical, maintenance & support) staff members are recruited based on the requirement of the program and student teacher ratio.
- The staff members (management appointee) are given incentives and increments based on their performance appraisal.
- Staff welfare schemes like special leaves, loans & advances, sabbatical leaves, cooperative society etc. are made available.
- The HR department of the college facilitates smooth execution of policy of the managing trust and Government.

6.3.7 Faculty and Staff recruitment

- The staff members are recruited by the HR department based on the requirement of the program, student teacher ratio & as per the policy of the trust.
- The college follows affiliating University procedure for recruitment and gets approval from the parent University.
- In addition to the University procedure, the college has introduced selection through demo lecture, presentation / demonstration and also the feedback received from the student and faculty.

6.3.8 Industry Interaction / Collaboration

- The college has Training & Placement Cell and Career Counselling Cell where every departmental coordinator are members.
- The college has several MoU's, collaborations & linkages with regional industries, Universities, research organisations, GO's & NGO's.
- Objectives of the MoU's /collaborations / linkages are achieved by the co-ordinating academic department.
- The industry partners are involved in curriculum design & development of innovative & vocational programs.
- The linkages with the industry are further strengthened by mutual cooperation, consultancy and Environmental Audit Cell of the college.

6.3.9 Admission of Students

- The admission committee along with software & account section of the college monitors entire admission process.
- The admission committee along with departmental faculties chalks out a plan for counselling every year. The prospectus, flyers, banners, posters covering information related to program, structure of program, courses, special features, fees, scholarships & freeships, resources, future career, various schemes of the college/government etc. are prepared and placed on the campus.
- Admission of the students is done by merit/ entrance following the reservation policy of the Government.
- For post graduate students, admission is done through pre-test, cumulative marks in U.G. following a personal interview.

6.4 Welfare schemes for

a) Teacher

- Loans & Advances
- Leaves- Marriage, Maternity, Advance, Sabbatical
- Educational loans
- Bachelors quarters
- Admission priority/ reservation
- Free health check up
- Sponsorships
- Consultancy share
- Credit Cooperative Society membership
- Discounted Uniforms
- Medical Service assistance/ Emergency care
- Subsidised Mess/ Gym facility

b) Non-teaching

- Loans & Advances
- Leaves- Marriage, Maternity, Advance, Sabbatical
- Educational loans
- Admission priority/ reservation
- Free health check up
- Consultancy share
- Credit Cooperative Society
- Discounted Uniforms

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

NA

6.11 Activities and support from the Alumni Association

The alumni meet is organised annually at department & college level. The following activities and support are received from alumni.

- Feedback/suggestions on curriculum.
- Expert talks.
- Procurement of instruments/equipments.
- Admission & scholarships.
- Industrial visits / tour.
- Training & placement.
- Sponsorship.

6.12 Activities and support from the Parent – Teacher Association

The college organises parent meeting in the beginning of semester. Department wise need based meeting is conducted. The following activities & support are received from parents:

- Feedback on overall academic process.
- Procurement of resources.
- Scholarships & Freeships.
- Industrial visits / tour.
- Training & placement.
- Sponsorship.
- Participation in college functions, workshops, seminars etc.
- Extension activities.

6.13 Development programmes for support staff

The college regularly conducts training programs for support staff on various aspects such as digital processes, good laboratory practices, safety & hygiene, record maintenance & human values. The technical / admin staffs are encouraged to study further on part time/distance education mode. They are also attending the trainings conducted by the University & the Government.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Energy saving initiatives:

- Annual energy audit for electricity.
- Use of energy efficient instrument & equipments like UPS, power back-up & generators.
- Replacement of routine electric utilities like bulbs, tube lights etc. by CFLs & LEDs.
- Majority A/C computer labs are situated in lower base floors.
- Less power consuming Desktop systems.
- Roof Top Solar power generation.

Environmental protection initiatives:

- Paper recycling. (Better waste management by introducing separate waste bins (Green & Red) all over the campus. Green for recyclable paper waste and the other for non-recyclable waste)
- Rain Water harvesting.
- Plastic free campus.

- Neem tree plantation on campus.
- Fume hoods with wet scrubber (Air pollution control measure) for chemistry laboratories.
- Noise and Air pollution free power generators.

Towards paperless administration:

- Institutional mail ids for all the faculty members.
- All notices and communications are made through mail for faster delivery and better record keeping.
- Online test are also conducted in many subjects.
- Circulation of study materials in e-form through blogs and forums online.
- Online indent, maintenance call reports and other administrative work.
- The students are also sensitized and asked to work on projects which can be provided greener solutions to existing problems of Environment. The environment awareness massages is published the many walls of the college.

Criterion – VII

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

1) External Academic and Administrative Audit (A-A-A)

The college is putting efforts on continuous quality enhancement in the form of academic & administrative audit, which leads to a positive growth and development as per goals & plans. The college conducts AAA at two levels:

- AAA by Knowledge Consortium of Gujarat, Commissionerate of Higher Education, Govt. of Gujarat in May-June, 2013.
- AAA by IQAC.

Apart from these, the reports of UGC Committee, DBT Star College Review Committee and Saurashtra University Local Inspection Committee also help in the process of quality sustenance and enhancement.

The audit conducted has the following impact on the functioning of the institution:

- Improvement in the standards.
- New quality initiatives
- New bench marks & goal
- Updating of the perspective plan.

2) Students as Peers

The college encourages specially PG students to do peer teaching to make UG students aware of the work they will have to perform in coming years. This also allows the continuation of the UG work under dual supervision - senior students and faculty. A junior student can freely interact with the seniors due to the degree of acquaintance freedom available. The process may involve a topic of theory or a practical or a demonstration or the dissertation work.

The peer teaching has the following impact on the functioning of the institution:

- PG students become more responsible.
- UG students complete their work in time and have clarity of fundamentals. The seniors work hard to prove their worth. Thus it has mutual benefits.
- Peer teaching gives opportunity of student –student interaction at different levels.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

The ATR based on the plan of action in the beginning of the year is given as below:

Plan of Action	Action taken
To organise National level events	National events organised on the following theme
	 Emerging Trends in Biological Sciences
	Current Trends in Drug discovery
	o Atmiya Scitech Utsav
	Maintenance of Opto- analytical Instruments
	o Universal Human Values
To organise Institute level events	Institutional level events organised
	Opportunities and challenges in academic autonomy
	NLIST & Science Direct Training
	Research Funding – Writing Successful Proposals
	Emotional Intelligence
	Public speaking & Fluency in English
To conduct Star college activities	Conducted various DBT Star interdisciplinary & innovative
	activities:
	○ Student projects = 50
	○ Industrial visits = 18
	o Invited Guest lecturers = 24
	o Exhibitions = 08
T C 1: C	New practical introduced = 30
To arrange Coaching for	Coaching classed for the Competitive Examinations / Entrance Test have been conducted (beyond college hours and without fees)
Competitive Examinations / Entrance Test	lest have been conducted (beyond conege hours and without rees)
To conduct GSBTM – Nodal Center	Crash course for UG students of the college and other regional
activity	science college have been conducted.
	Total number of student benefited = 160
Compilation of institutional	A book on institutional innovative & best practices prepared in
innovative & best Practices	prescribed format of NAAC.
Curriculum revision in	Curriculum revised for PG semester -3 & 4 M.Sc. Pharmaceutical
PG innovative programs	Organic Chemistry.
G t GROP	The syllabus has been approved by BoS of Saurashtra University.
Consultancy generation- GPCB Environmental audit and Soil	Revenue generation through consultancy –Earn while Learn
Health Card program of Gujarat	Scheme: Soil Health Card program = Rs. 3,00,000/-
state government.	GPCB Environment Audit = Rs. 4,99,150/-
Introduction of new UG programs	Proposals for the introduction of following B. Voc. Programs
duction of no	submitted to UGC.
	o B. Voc. in Applied Chemical Technology (Chemical Science)
	B. Voc. in Medical Laboratory and Molecular Diagnostic
	Technology (Life Science)
	B. Voc. In Applied Computer Technology (Comp. Science)

1) Title: Research Commons

Objectives:

To create conducive & sustainable Research environment through creating and sharing resources and services.

Context:

The practice is in place in order to avoid duplication of resources and also creating a common pool and networking of existing resources and expertise to frame policies, provide all types of assistance at every step of research and central platform to showcase and promote research on campus.

Practice:

The research commons is a practice that provides assistance and support for all steps of the research process: searching, writing, publishing, funding. The research commons is a place to collaborate and connect with fellow students and faculty on research projects. It is a place for workshop and presentation opportunities and a place to discover what your peers and colleagues are researching. This practice is through many ways to name a few:

- Research Proposal preparation and presentation
- Review article writing
- Awarding Students for best research proposals
- Research sharing through presentations and discussions
- Peer support through each one teach one
- Research Presentation / Data presentation to students and faculty before appearing for final viva
- Library Information Literacy programmes on Literature survey and review writing; searching online authentic research resources/ documents
- Awarding faculty and students from Library for good research publications in Journals and there are many such small and big initiatives taken to promote and nurture the curiosity and culture of research and discovery among young minds.

Evidence of Success:

The practice of making students write the research proposal and review article in particular has helped them in getting selected for PG and Ph.D. courses in Tier I & II Universities in the country as well as globally.

Problems encountered and resources required:

The Process time taken by funding agencies and governing bodies for reviewing the research proposals submitted by PG students is more and does not benefit their endeavour during their tenure in the institute as students. Research needs access to a host of resources specially access to current R & D articles, patents, grey literature, legal data and similar communications which the institute needs to subscribe to but involves a lot of funds or getting access through consortiums or networks which are not available largely for colleges unlike Universities.

2) Title: Earn While Learn Scheme

Objectives:

To provide financial support to the needy students of UG/PG programs
To create avenues of financial assistance for their higher educational progression

Context:

The important factor which contributes the student's constraint from the college or higher studies is their complete dependence on their parents for financial assistance. To support them, given an opportunity of training/working in various consultancy projects of the department to earn and enable to continue higher studies for further carrier developments.

Practice:

This practice is based on the participation of the identified UG / PG students in the consultancy project of the departments. The implementation of the policy varies with the nature of the consultancy project or collaborative agencies which are given as follows.

Department of Chemistry:

The department has embarked on the idea of having various consultancy projects where UG / PG students can contribute & hands on the research experiments. After successful tie up with the consultancy / collaborative agency, the department has identified a group of UG / PG students. The selected students were employed to complete the experimental and paper works required for consultancy / collaborative projects. After completion of the objective of the projects, the participated students were paid according to the number of samples being analyzed. By following the above mention procedure, the chemistry department has successfully completed seven Soil Analysis Projects from the Government of Gujarat.

Department of Biotechnology

The department has organized art exhibition cum sale day, which was provided students a platform to display their art & also earn along. Food stalls in the exhibition has also generated income to students. 'Best out of waste' is the concept used by the students to make handicraft articles for display.

Department of Microbiology

- 1. Students are assisted in getting tuitions or assessment duties in schools.
- 2. Handicraft / Best out of waste preparation & selling.

Library Department

In the Library, this practice is followed in two areas to feed in day to day reports and records &library usage and secondly for documentation of newspaper, magazines and print journal articles. Students are asked to read and document different articles under the categories identified as crucial for future use. They are paid remuneration on hourly and record basis.

Resource Utilized and generated:

Grants received for projects and management funds where ever required. Many students get good experience and exposure and also are monetarily benefited.

Evidence of Success:

The UG / PG students of the college have been immensely benefited from earn while learn scheme. About 80+ B.Sc. students of the department have been employed in the Earn while Learn practice so far. All of them have perused their Master's program. This empowers them to not only for further studies but having experience in project work, helped compete with their contenders.

Problems Encountered and Resources Required:

The UG/PG students, who are living in private hostels, find difficulty to stay, due to private hostels rules & regulations, late in the evening for completion of targeted duty.

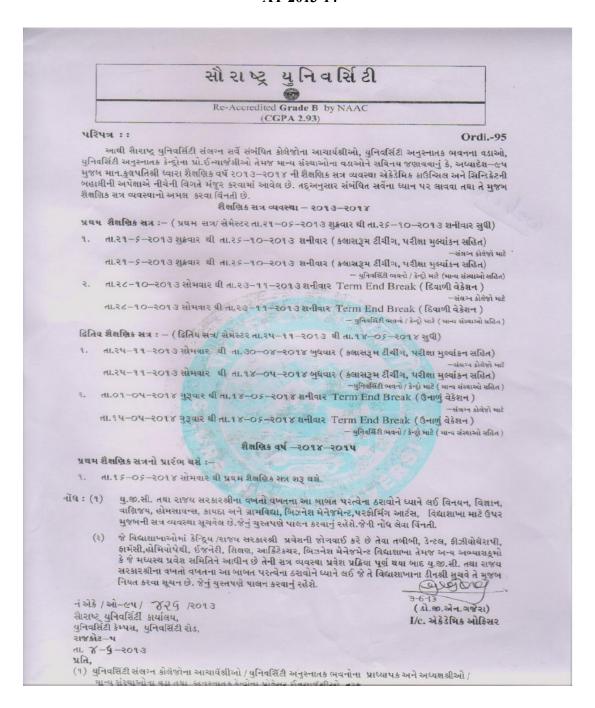

7.4 Contribution to environmental awareness / protection
In addition to initiatives taken for making the campus eco-friendly (pl refer 6.14); the college have included Environmental Studies as compulsory course . Tree plantation event is organized every year and eco trips/ camps and visit to ETP /STP have been organised
7.5 Whether environmental audit was conducted? Yes Vo
7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

 8. Plans of institution for next year To introduce skill based Vocational UG Programs. To organise National level seminar/conferences/workshops for creating awareness regarding Universal Human Values, Recent development in Sciences. To give more numbers of UG students project of Interdisciplinary nature. Recruitment of staff required for the implementation of new programme. To organise FDP's/ Training program for improving faculty research aptitude and teaching creativity. To encourage faculties for major and minor sponsored research projects. To procure new infrastructures to meet demands of new programs. To upgrade facilities for Central Chemical Instrumentation, Separation Technology. To enrich library & Learning resources. To increase number of linkage/ collaboration/MoU's with industries/ academic institute/ organisations (GOs/NGOs). To get NOC for autonomy from parent Saurashtra University and the Government of Gujarat. To take up efforts to make campus more cleaner & greener. To make efforts for development of consciousness for English language proficiency.

Analysis of Feedback – AQAR 2013-14

1. Feedback on Teachers

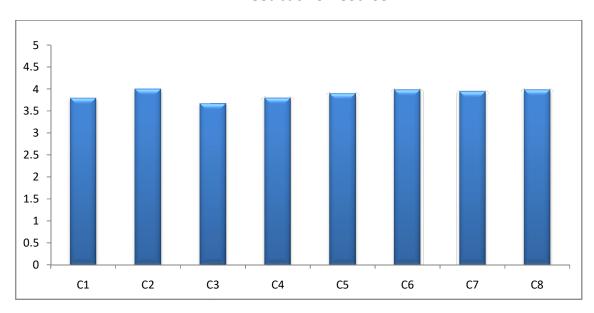

C1	Knowledge base of the teacher
C2	Communication Skills (in terms of articulation & comprehensibility)
C3	Sincerity / Commitment of the teacher
C4	Interest generated by the teacher
C5	Ability to integrate course material with environment/other issues, to provide a broader perspective
C6	Ability to integrate content with other courses
С7	Accessibility of the teacher in adn out of the class (includes availability of the teacher to motivate further study and discussion outside class)
C8	Ability to design Quizzes/Tests/Assignment/Examinations and Projects to evaluate students understanding of the course
C9	Provision of sufficient time for feedback
C10	Overall rating

Shree Manibhai Virani and Smt. Navalben Virani Science College, Rajkot

Analysis of Feedback – AQAR 2013-14

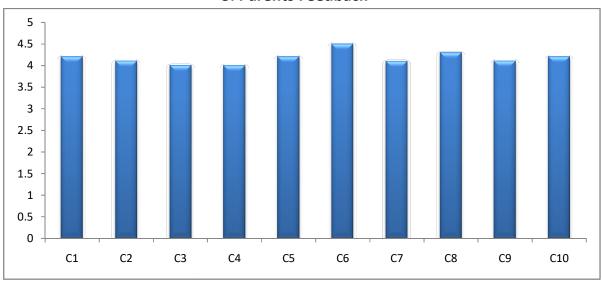

2. Feedback on Course

C1	Depth of the course content including project work if any
C2	Extent of coverage of course
C3	Applicability/relevance to real life situations
C4	Learning value (in terms of knowledge, concepts, manual skills, analytical abilities and broadening perspectives)
C5	Clarity and relevance of textual reading material
C6	Relevance of additional source material (Library)
C7	Extent of effort required by students
C8	Overall rating

Shree Manibhai Virani and Smt. Navalben Virani Science College, Rajkot Analysis of Feedback – AQAR 2013-14

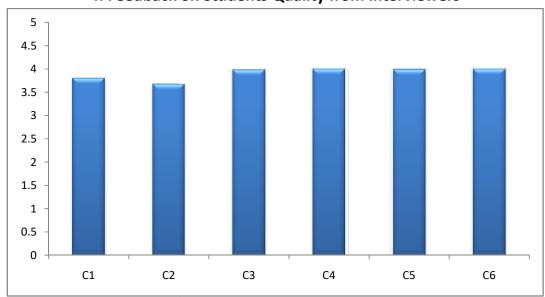

3. Parents Feedback

C1	Teaching Quality(શિક્ષણની ગુણવત્તા)
C2	Study & Discipline (અભ્યાસ અને શિસ્ત)
С3	Sports & Other activities (રમત ગમત, સાંસ્કૃતિક, સેમીનાર જેવી અન્ય પ્રવૃત્તિ)
C4	Communication of Teachers (શિક્ષક સાથેનો સંપર્ક)
C5	Reporting of Students' attendance & progress (વિધ્યાર્થીની નિયમિતતા અને તેની પ્રગતિ અંગે જાણકારી)
C6	Infrastructure of College (કોલેજની માળખાકીય સુવિધા)
C7	Staff's Working (સ્ટર્ફનો વ્યવહાર)
C8	College's Annual result (કોલેજનું વાર્ષિક પરિણામ)
С9	Follow-up Work & Reading Facility (અનુકાર્ય અને વાંચન સુવિધા)
C10	Other Facilities (કોલેજની અન્ય સુવિધાઓ)

Shree Manibhai Virani and Smt. Navalben Virani Science College, Rajkot Analysis of Feedback – AQAR 2013-14

4. Feedback on Students Quality from Interviewers

C1	Communication Skill
C2	Personality
С3	Level of Confidence
C4	Subject Content
C5	General Knowledge
C6	Clarity of Vision for career
C7	Any Other
